## The Club at Aviara. A more exclusive way to play.

Unlimited golf on the only Arnold Palmer signature-designed course in the region, home of the LPGA Kia Classic, Kip Puterbaugh’s Aviara Golf Academy (aviaragolfacademy.com), and the TaylorMade Aviara Performance Center (tmgolfaviara.com). Tennis on six lighted courts, including two with Har-Tru clay surfaces. Full access to a Forbes Five-Star, AAA Five-Diamond Resort that has just been transformed with a \$50+ million reimagination. This is The Club at Aviara, and membership carries more than privileges — it provides a place where the opportunities extend far beyond golf and tennis.

Enjoy world-class dining right in the clubhouse with Ember & Rye, the newest experience from renowned chef and Bravo “Top Chef” winner Richard Blais. Replenish and rejuvenate at the hands of Aviara Spa’s expert practitioners. Take advantage of member pricing for resort activities, along with special access as the top JTBC pros play Aviara Golf Club each year.

Amid 200 acres of verdant gardens overlooking the Pacific, tucked conveniently between San Diego and Los Angeles, your new club — your new home — awaits.

## Play where the pros play.

Aviara Golf Club has been honored by Golf Digest and Golf Magazine as one of the top resort golf experiences in the country — and Park Hyatt Aviara Resort, Golf Club & Spa was named the #1 golf resort in Southern California by Condé Nast Traveler readers.

Dramatic and unique, sculpted around rolling hillsides with plenty of bunkers and water hazards, a round at Aviara Golf Club feels like playing in a botanical garden — because in a sense, it is.

This memorable layout overlooks the Batiquitos Lagoon, with native wildflowers blooming all around. And at more than 7,000 yards from the tips, you’ll see it all. Not that you need to push yourself that hard, of course; we recommend moving up a set of tees to make things more enjoyable. If you start making too many birdies and having too much fun, you can always move back to the Palmer tees!

Just be sure to have your camera handy, because you’re going to want to get some shots before and after your *other* shots: Favorites include No. 3, which is one of our signature holes, and No.18, with has a wonderful view of the lagoon.
