LUXURY is PERSONAL

OUR TOP PRIORITY IS YOUR SAFELY AND WELLBEING

As we welcome you back, you can have peace of mind knowing we are taking precautionary measures in an effort to maintain a safe environment for our guests, customers and colleagues. Specifically, here are some enhanced cleanliness and wellbeing measures that you will see and experience at Park Hyatt Aviara.

CLEANING & SANITIZATION
We are conducting regular—in many cases hourly—cleaning and sanitization of frequently touched surfaces and high-traffic guest and colleague areas such as elevators and elevator buttons, escalator handrails, and restrooms, as well as the surfaces and equipment in our gyms and spas. We are also implementing enhanced cleaning protocols for guestrooms, including the removal of high-touch items and minimizing the number of times our hotel teams enter guestrooms.

TEMPERATURE & WELLBEING CHECKS
All colleagues are required to have a body temperature check each time they enter a hotel. We are also asking colleagues and guests to conduct wellbeing checks prior to arriving to the hotel.

HAND HYGIENE & SOCIAL DISTANCING
Reminders on hand-washing techniques are located throughout the hotel, with hand sanitizer stations or sanitizing wipes also prominently placed throughout. Social distancing measures are strongly encouraged in hotel public areas such as elevators, fitness centers, airport shuttles and more

MASKS & GLOVES
Face coverings are required in hotel indoor public areas and when moving around in outdoor area. Hyatt colleagues are required to wear face masks as well as additional personal protective equipment based on job specifications.

KNOCK & GO ROOM SERVICE
All room service orders will be delivered to the door. To minimize contact, our colleagues will knock on your door or ring your doorbell to notify you upon the delivery of your order.

FOOD SAFETY PROTOCOLS
Our teams are implementing precautionary measures starting with food preparation to set-up and service, and enhancing food safety and hygiene protocols for restaurants, room service, and group meetings and events. We are frequently disinfecting kitchen surfaces, and colleagues are wearing masks and gloves when plating and serving made-to-order dishes.
