Dining

The culinary journeys at Aviara share a reverence for the deep, long-established roots that connect us all through culture and geography, evoking a distinct sense of place that endures. This unique blend of heritage, influence and innovation serves as the cornerstone of the resort's authentic coastal California cuisine.

EMBER & RYE

Located in the clubhouse of the storied Aviara Golf Club, this new experience from renowned celebrity chef Richard Blais specializes in vintage steaks and fresh seafood with a classic California design. Offering modern twists on time-honored concepts, the restaurant's menu celebrates the region's laid-back culture and abundance of fresh ingredients — by land and by sea.

Seamlessly blending tradition and history with today's techniques and ideas, Ember & Rye features a centerpiece bar with interactive culinary stations serving samplers such as charcuterie, Carlsbad oysters, and shareable bites freshly sourced from local fisherman, farmers, and foragers. Displays throughout the restaurant showcase world-class whiskey and wine, dry-aged meats, and a rotating selection of cheeses, while the lively lounge area offers funky twists on classic coastal tunes. And as you savor the unique flavors, you'll also marvel at the stunning views surrounding Aviara Golf Club's 18th green.

TOPGOLF SWING SUITES

This new addition to the resort lobby offers food, beverages and music along with multi-sport games on floor-to-ceiling screens to create a unique element of playful competition.

WATERS' EDGE

The resort's poolside bistro serves culinary classics and refreshing handcrafted cocktails for guests to savor while lounging on the pool deck, taking in the ocean breeze and coastal views.

PONTO LAGO

The resort's signature restaurant, Ponto Lago takes its inspiration from the life-giving local waters that have allowed this region to flourish for centuries. It is both invigorating and sophisticated, constantly awakening the senses, yet unrushed and effortless.

Emphasizing just-caught seafood, fresh local ingredients and bespoke cocktails, the restaurant is centered around the captivating show of an open-hearth kitchen and the astonishing views of the coastline. Ponto Lago is always evolving, naturally in motion, never still or complacent. It is for everyone, too, from couples in the midst of a romantic escape to families seeking an upscale setting that welcomes all ages.

PACIFIC POINT

Shaped like a nest to honor the 18 types of native birds that call Aviara home, and featuring a large veranda to savor cocktails and small plates while taking in the sunset over the ocean, Pacific Point offers the perfect balance between indoors and out. In the mornings and throughout the day, this lobby lounge serves as a wellspring of energy with wellness offerings including an elixir bar and healthy snacks. Unique and adventurous, yet familiar and comfortable, it is an ideal introduction to what lies ahead.

AVIARA MARKET

Aviara Market features a variety of freshly made pastries, coffee, sandwiches and snacks. Enjoy an array of culinary items along with a unique collection of apparel and gifts.

Spa & Wellness

Amid the resort's rolling hills, lush gardens and stunning coast, Aviara Spa, a 15,000-square-foot wellness oasis, offers the best of healthy California living for those seeking to nourish mind, body and soul. Guests can enjoy skin-soothing facials incorporating probiotics, local wildflowers and fresh-picked organic ingredients — as well as muscle-melting massages relying on warm Carlsbad sea stones and a host of therapeutic oils.

Aviara Spa offers saunas, steam rooms, and whirlpools to go with 16 intimate treatment rooms, including a couples suite featuring a fireplace, semi-private pool, and Swiss shower.

For a truly transformative and immersive wellness experience, the award-winning VeraVia takes a holistic approach that allows guests to create lasting behavioral and lifestyle changes. And the 24-hour fitness center features a robust selection of cardio and strength equipment.

Activities

From water sports such as deep-sea fishing, kayaking, snorkeling and whale watching to other pursuits such as hiking, hang-gliding, and tours of craft breweries and wineries, there's something for everyone — both at Park Hyatt Aviara and throughout the region.

AVIARA GOLF CLUB

The only Arnold Palmer signature-designed coastal California golf course, Aviara Golf Club allows players to test themselves on the same fairways as the top LPGA pros who compete here each year in the Kia Classic. Named one of the best resort courses in America by Golf Digest and Golf Magazine, the 7,007-yard layout is an enjoyable challenge for players of all skill levels: Sculpted around rolling hillsides and overlooking the Batiquitos Lagoon nature preserve, it offers a unique blend of playability and drama thanks to its scenic views, water hazards, and extensive bunkering.

Guests also can learn from the best at Kip Puterbaugh's Aviara Golf Academy and the TaylorMade Performance Center, located on site here in the "Golf Manufacturing Capital of the World" — over 35 golf companies call Carlsbad home.

TENNIS

Guests have access to six lighted tennis courts — four hardcourts and two Har-Tru clay courts — against a backdrop of lush botanicals and greenery. Ranked worldwide as a top tennis resort by Tennis Resorts Online, Aviara is ideal for events and tournaments. Courts can be reserved on an hourly basis, including complimentary use of rackets and practice balls. Clinics are available for resort guests.

Events

From intimate weddings to large celebrations, exclusive corporate retreats to companywide meetings, Park Hyatt Aviara's dazzling location creates an atmosphere for memorable events.
