A wedding cake is the central focus, presented on a rustic wooden stand. The cake is a single tier, covered in white frosting, and is elegantly decorated with fresh greenery, including large leaves and delicate white flowers. Several thin, dark, curly twigs are artfully placed on top of the cake. The stand consists of a thick, circular slice of wood with its natural bark, which sits atop a smooth, cylindrical wooden pedestal. The entire arrangement is placed on a white, circular table. The background is a bright, sunny outdoor setting with a well-maintained green lawn, palm trees, and a clear blue sky. A white rectangular box with a thin black border is superimposed over the center of the image, containing the text 'Wedding Cake' in a black, elegant script font.

General
Information

General Information

Our culinary philosophy originates from the bounty of California's food products that local farmers have to offer. Fresh, local and healthy ingredients inspire us to create flavorful dishes and it's the core of everything we produce, as it is important for us to know that our customers are eating unadulterated food and we are supporting farmers and growers around us who are directly connected with the land and sea.

Our focus is on preserving the integrity of the fresh ingredients each season has to offer and harmoniously pairing them to enhance their natural taste. Sustainable, low carbon foot print and human raised products are our primary choice as they are reflecting our common values of respect for our environment and a guarantee of reliable origin of the food we are serving to our guests.

A final confirmation or 'guarantee' of your anticipated number of guests is required by 10:00am seven (7) working days prior to your banquet function and this guarantee may not be reduced.
